My dear Mr Srikantaswami Iyer

Please refer to your letter about my private affairs you wrote from Madras on 8th Jany.

(1) The proceedings of 7th Jany which I enclose (which please return) does not authorize the Comptroller to place the sum of Rs 5000 to my credit in the Bank at the end of each quarter. Would you kindly have this addition made to save further correspondence about it.

Done

(2) You are right about 35000 Rs which was placed in the Bank on the 8th of August last, but as regards

interest, I think I should get Rs 2760 at 12% on the balance of Rs 23000/- for 12 months. I have paid this myself and as I have promised to Sir K Seshadri Iyer that I shall not incur debts I do not see how I could meet this without doing so. I think therefore a fresh provision has to be made about this amount [illegible]

(3) There is another thing which is important - I have not yet heard from the Palace Controller ~~present~~ as to when he will hand over the jaghir with the Collec from the date on which it was taken ov

Shall write to Dr. Coats & find out how it stands

Income. If you refer to Para 43
of memo of 26th June which I signed,
you will see that this amount & the
future income is to be my pocket
money. Would you kindly therefore
sk the Palace Controller at your
earliest convenience?

4) I have written to Mr Irwin
to send me the plans of the house
to be constructed at Mysore.
As soon as I receive them I
shall send them over to you &
you can show them to Mr Thumboochetty

5) As regards the alterations &
additions to Melville House, would
you kindly ask the Executive Engineer

or any body else you prefer to
draw up a plan & estimate of
the work would show them
this work is urgently needed &
if it is settled once for all it will
save much correspondence later
I am off to Keystone tomorrow
& shall be obliged for an early
reply.

Yours sincerely
J Desanyhle

I don't understand this. [illegible] my Sanctn
